

Dear Robert

Both I and Tracy would like to thank you for the work you did on our front and back garden. We had been talking about doing the work ourselves for quite some time now but could never find the time to get around to it.

You got exactly what we wanted and we are very pleased with the way our garden now looks.

As always I will continue to recommend you for any garden work that I hear of as you always do an excellent job.

Once again thank you so much.

Regards

Andy Jackson
