Testimonial Ode to Robert Moule

I was sitting in the garden, dreaming of summer sun,
Barbeques, good friends, good wine, laughter, & so much fun.

But looking all all round me, I saw my nosy, grumpy neighbours face,
Holes in the fencing, crumpling walls, made the garden a vulnerable place.

Maddie & I wanted our privacy, to keep his prying eyes away,
But how do we do it? Where do we go, to enjoy our private place of play?

"I know" I said to Maddie, lets call in Robert Moule!
Lovely guy, smiley face and a thoroughly hard working sole!

"Can you help me?" I said to Robert. He said, "of course I can you fool!"
Jamie, my special stepson even said, "He's really cool!"

So in came Robert and his mini army, a change to our life's assured,
New fences, rebuilt walls, our privacy once again restored.

Robert, what a great job you've done. Going that extra mile,
To give us a great feeling of peace, which like you gives us a guaranteed smile.

Thank you so much from
Dave & Maddie.
